

SCHAUDIES GALLERY - AVAILABLE FOR RENT!!!

The Schaudies Gallery at the K Space Art Studios is named after our founders, Erick and Raychelle Schaudies, who started the studios/gallery space in 1995. For over 20 years now, the K Space Art Studios has been dedicated to presenting local, area and regional artists in the Schaudies Gallery and to promoting inventive and innovative contemporary art exhibitions. Thank you for considering the Schaudies Gallery and we hope to see your proposal/work soon!

Rental Rate: \$100 for 1 mo.

Must be paid in full 14 days prior to opening

\$50 Deposit is required to reserve your month. Deposit will not be refunded for shows canceled within 30 days of the scheduled opening. Deposit will not be applied to a future date.

Schaudies Gallery is available for artists to rent for exhibition. Exhibitions in the Schaudies Gallery run 3-4 weeks opening with ArtWalk (1st Friday of the month) and concluding one week before the next ArtWalk.

Schaudies Gallery is a 700 sq. ft. gallery located inside K Space Art Studios on the 3rd floor. It is perfect for a solo or small group show. It is not climate controlled. Schaudies Gallery shows are Do-It-Yourself, which means that selected artists are responsible for all work involved in the show. K Space Contemporary provides some publicity by including your show in social network posts and on our website. See "Artist's Responsibilities" on next page for more details.

Portfolio Review: Interested artists are required to submit images of their work via website or email. Submit your work anytime – there is no deadline! Works in all media are acceptable. You may submit as a solo artist or as a group (for example: for 5 artists, rent is only \$20 each.) We are looking for original, innovative, contemporary works of art not previously exhibited at K Space.
